

Biography – Peter E. Sutherland

Peter E. Sutherland received the B.S at University of Maine at Orono, the M.Sc.E. at the University of New Brunswick (UNB), Canada and the PhD at Rensselaer Polytechnic Institute (RPI). For over twenty years, Dr. Sutherland has specialized in electrical power system studies, teaching and research. After joining GE in 1987, he led a wide variety of power system studies. He worked in GE's Industrial Power Systems Engineering Operation (1987-89), the GE Training and Development Center (1989-92), the Albany office of Installation and Service Engineering (1993-96), Power Systems Energy Consulting (1996-2001), GE Renewables (2013-14), GE Industrial Solutions (2014-present). The author of many papers, winner of an IEEE IAS Prize Paper Award and active in the IEEE for many years, he has held many positions including Chair of the IEEE Industrial and Commercial Power Systems Department. He is a Life Fellow of the IEEE and a PE in NY and three other states.
